(August 2012)

Note: Jordan and Israel have the status of active group members as they are founding members.

Non-European countries

In these statutes, non-European countries are defined as countries outside the geographic borders of Europe.

Group members

National societies, groups or federations which represent the interests of gastroenterology and endoscopy nurses and endoscopy associate are

- Are professional / non-profit organisations recognised as official representatives for gastroenterology and endoscopy nurses and associates in the respective country
