

Dear all ESGENA Members,

Do you know what the Jerusalema Dance Challenge is?

If not, just enter the word in YouTube and you will find out immediately. All over the world people who work for their community are dancing to the beat of the South African musician *Master KG*. Here is a dance from a hospital in Germany - <https://www.youtube.com/watch?v=IFA9zIGDnVY>.

The dance is fun, but even more important, it brings people together, and it helps to spread the message of staying apart to stay alive and keep your family and friends healthy and safe.

Today we want to invite you to join ESGENA in doing the Jerusalema dance to celebrate our birthday and all of our wonderful members and partners. Each of you is one of us! We are asking you to contribute a short dance sequence on video (maximum of 20 seconds); we will combine all the videos to a big ESGENA dance and post it on our website and show it during the ESGENA Nursing Programme at UEG Week 2021. And, of course you can re-post it and show it in your countries, too.

What do you need to do?

- Watch a Jerusalema dance on YouTube and learn the steps. That's easy. Or just use the music as a rhythm giver.
- Ask your colleagues to join. Make sure they agree to publishing the film.
- Find someone to film you on any filming device, even a mobile phone is good enough.
- Just make sure he or she films **horizontally**.
- We only need the pictures, not the sound.

- You can dance the Jerusalema dance or just dance any way you like.
- You can do funny things with endoscopes or other devices, alone or with your colleagues, in Endoscopy units or anywhere
(see some examples <https://www.youtube.com/watch?v=IFA9zIGDnVY>)
- It would be good if you could hold up posters
- with your country name or your flag
- with some wishes to ESGENA e.g. Happy Birthday – ESGENA / Join ESGENA / stay safe , etc.
- Send your film to the ESGENA Secretariat at info@esgena.org or kw@hamilton-services.de
- Just a note: ESGENA will buy the rights to the music, so there are no legal problems with filming your dance / your sequences.

The deadline is **May 30, 2021**. Don't miss it. We need you!

If you have any questions, ask us.

Hope to see you soon on film!
