26th ESGENA Nurses Programme
as part of

30th United European
Gastroenterology Week

In Vienna and Online

October 8–11, 2022

Conference website: <https://ueg.eu/week>

ESGENA Website: <https://esgena.org/>

Word of Welcome

ESGENA invites colleagues from Europe and around the world to the 26th ESGENA Program during the 30th UEG Week. After challenging years of the pandemic, the UEG Week will be offered as a hybrid meeting which will give you the choice of being there on-site or participating virtually. These option gives us enough flexibility in planning the event.

The ESGENA program will take place on Saturday and Sunday, October 8-9, 2022. The registration as Allied Health Professionals (AHP) enable nurses to participate in the entire UEG Week, including the ESGENA nurse programme. The combination of the ESGENA Nurse Program and the UEG Week program offers an exceptional educational experience with state-of-the-art lectures, free paper sessions, roundtable discussions, live endoscopy, electronic posters and symposiums.

Experience the community and team spirit of gastroenterology and endoscopy nurses. Meet experts, exchange ideas and network with colleagues in other countries.

We hope to meet you onsite in Vienna or join us virtually wherever you are located.

Marjon de Pater
ESGENA President

ESGENA “Warm-ups towards the UEG Week

The “**ESGENA warm-ups**” are four webinars as a countdown towards UEG Week 2022.
