

**Send us your abstract now!**

## ***Prepare to send us your abstract!***

- At the ESGENA Spring School at ESGE Days 2023 you will find a great variety of combined activities for nurses and physicians.
- One great opportunity are the Free Paper / Video Sessions to which nurses are warmly welcome. Let´s show how good nurses are, submit your abstract.
- Abstract / video submission has opened and the deadline to submit is December 6, 2022. We invite all nurses of the GI endoscopy community to consider putting forward their best research and projects for presentation at our meeting.
- Independent from your profession, the top four abstracts will be featured in the opening session, travel grants will be awarded to top submitters 40 years old and younger, and what is more: all accepted abstracts will be published in the Endoscopy journal (Impact Factor of 9.7).
- The ESGENA Spring School and ESGE Days are the perfect forum at which to showcase your best research.
- For more information visit <https://esgedays.org/abstracts/>
