

## Message from ESGENA President

Dear Colleagues,

It is with great enthusiasm that we are looking forward to coming together in DUBLIN for ESGE DAYS 2023, taking place on April 20 – 22, 2023. The scientific committee has worked tirelessly with the aim of developing the best operational approach to delivering scientific content in a comprehensive program that will showcase innovative ideas and practices for everyone working in the field of Endoscopy. The success of an endoscopy unit is reliant upon a well-functioning multidisciplinary team working together towards a common goal of safe and effective patient care. The ESGE and ESGENA strongly believe that it is ideal when the endoscopy team learns together and train together.

Based on this principle, the ESGENA Spring School is an integral part of the ESGE DAYS and has a lot to offer to the endoscopic nursing community:

- Joined sessions for physicians and nurses with interactive discussions, debates and live demonstrations
- special sessions for nurses focusing on patient care, assistance and management issues

Explore the program online and learn more...<http://esgedays.org/>

We look forward to welcoming you to Dublin.

Warmest Regards,

**Wendy Jo Carmel**  
President ESGENA

---

The following Irish nurse societies are involved:

- **ISEN** - Irish Society of Endoscopy Nurses
- **SIGNE** - Society of Irish Gastrointestinal Nurse Endoscopists
- **IBDNAI** - IBD nurses association of Ireland

## Registration

### Your benefit as an ESGENA individual member:

- ESGENA individual members are eligible to reduced rates for all onsite and digital formats of the ESGE Days (see overview below)

### Benefit for new members:

- If you aren't an ESGENA Individual Member yet, join now using our special, combined package of ESGENA membership and registration of ESGE Days 2023.
- As of January 2023, this will represent a saving of 20 €. Please note this is only available to those becoming ESGENA members for the first time. It does not apply to existing members.

Link for registration: <https://esgedays.org/registration>

# ESGENA “Warm-ups towards the ESGE Days and the ESGENA Spring School

The “**ESGENA warm-ups**” are four webinars as a countdown towards the ESGE Days and the ESGENA Spring School 2023.

**Make sure to save the dates:** - always at 18:00 CET.

All ESGENA warm-ups are a **free of charge**, After registration you will receive a Zoom link. You will be able to meet medical and nurse experts, microbiologists and experts from the industry. A varied programme will update you on endoscopic techniques, and current topics around hygiene and infection control.

Let’s count down together, towards the next big European conference.

<b>April 4, 2023</b>	18:00-19.30 CET	<b>ESGENA Warm-up 1</b>	Hygiene& Infection Control
<b>April 6, 2023</b>	18:00-19.30 CET	<b>ESGENA Warm-up</b>	Endoscopic techniques
<b>April 11, 2023</b>	18:00-19.30 CET	<b>ESGENA Warm-up 3</b>	Hygiene& Infection Control
<b>April 13, 2023</b>	18:00-19.30 CET	<b>ESGENA Warm-up 4</b>	Endoscopic techniques

Programm and registration links will be included soon

# ESGENA NURSES HOT SPOT

The ESGENA Nurses Hot Spot in the exhibition area is a meeting point for nurses and physicians. We offer hands-on training and discussions on the latest developments and current techniques during the coffee breaks. Each time slot will focus on one topic. Pre-registration is not required.

Take a break, discuss questions from your daily practice with experts, get to know the latest tools for the following techniques:

- Hemostasis
- removal techniques
- ERCP & EUS
- Hygiene and infection control

---

## ESGE-ESGENA HANDS-ON TRAINING

### THE ULTIMATE TRAINING TOOL!

ESGE Days 2023 hands-on training sessions are designed to provide participants with the opportunity to put what they learn during lectures into practice. Available only to delegates at the on-site congress in Dublin, these small group, expert-led sessions will cover a variety of topics which are encountered during daily practice.

To maximize contact between tutors and participants, the group sizes are strictly limited. Courses can only be booked in conjunction with the hybrid package. Participants may book more than one course - please ensure that course bookings do not overlap.

There are 81 Sessions:

- 9 Stations
- with 3 time slots
- on three days

with the following procedures

- Hemostasis
- Polypectomy
- EMR
- ESD
- POEM
- Barrett's RFA (Metronic)
- PEG
- Spiral enteroscopy
- ERCP
- Cholangioscopy + EHL
- EUS-FNA
- EUS-guided biliary and cyst drainage
- EUS-guided portal pressure measurement and
- EUS- guided liver biopsy

Book your session during the registration process: <https://esgedays.org/registration>

Benefit from reduced registration fees as an ESGENA individual member
