Message from ESGENA President

Dear Colleagues,

We are looking forward with great zeal to coming together in BERLIN commemorating The Jubilee Celebration for ESGE DAYS 2024, taking place from April 25th – 27th 2024. The scientific committee has worked diligently with the aim of developing the best operational approach to delivering the scientific content in a comprehensive program that will showcase innovative ideas and practices for everyone working in the field of endoscopy.

The success of an endoscopy unit is reliant upon a passionate multidisciplinary team working together towards a common goal of safe and effective patient care. The ESGE and ESGENA strongly believe in teamwork strategy where the endoscopy team train and learn together.

Based on this principle, the ESGENA Spring School is an integral part of the ESGE DAYS and has a lot to offer to the endoscopic nursing community including:

- Joint sessions for physicians and nurses with interactive discussions, debates and live demonstrations
- Special sessions for nurses focusing on patient care, assistance and management issues

Explore the program online: https://esgedays.org/

We look forward to welcoming you to Berlin.

Kind Regards,

Deepa J Gandhi
President ESGENA
Registration

JOIN ESGENA AND SAVE MORE!
ESGE Days 2024 + ESGENA Membership = Best Deal (Savings up to 40€). Explore below.

Your benefit as an ESGENA individual member:
- ESGENA individual members are eligible to reduced rates for all onsite and digital formats of the ESGE Days (see overview below)

Benefits for new members:
- If you aren't an ESGENA Individual Member yet, join now using our special, combined package of ESGENA membership and registration of ESGE Days 2023.
- As of January 2023, this will represent a saving of 20 €. Please note this is only available to those becoming ESGENA members for the first time. It does not apply to existing members.

Link for registration: [https://esgedays.org/registration](https://esgedays.org/registration)

Registration - What's included?

Onsite in Berlin
Join us in Berlin for ESGE Days 2024 in person. Your registration includes:
- Full scientific & educational programme (excluding hands-on training courses)
- In-person networking opportunities onsite with peers and faculty
- Onsite exhibition and industry symposia
- Poster Tours
- Access to the online Postgraduate Course (16 modules)
- Complimentary access to the digital platform available on demand until June 30, 2024
- CME accreditation and attendance certificate

Online from around the world
Unable to travel to Berlin? Your digital registration includes:
- Access to the core scientific & educational programme across 5 channels (excluding hands-on training courses)
- Virtual exhibition and industry symposia
- All abstracts and posters
- Access to the online Postgraduate Course (16 modules)
- Access to the digital platform available on demand until June 30, 2024
- CME accreditation

Hands-On training
- Opportunity to take part in hands-on course(s) onsite (registration required; additional fee)
- Course certificate

Link for registration: https://esgedays.org/registration

What can you expect?

The ESGE Days have a lot in store for nurses on Thursday, Friday and Saturday, April 25-27, 2024. Nurses can create their own conference pathway by using more than 125 different sessions in 3 days:
- My worst Case Session
- Case based sessions
- Champion’s Den
- ESGE Quiz
- ESGENA Spring School
- EYE Sessions
- Free Paper sessions
- Guideline sessions
- Highlight Sessions
- Hands-on Training
- Industry symposia
- Joint Sessions with partnering Societies
- Live demonstration with round up sessions
- PGC Meet the expert
- Post graduate Course (on demand)
- Spotlight Stage
- Tips and tricks session
- Video Sessions

Create your pathway through an interesting program: https://esgedays.org/
The “ESGENA warm-ups” are four webinars as a countdown towards the ESGE Days and the ESGENA Spring School 2024. All ESGENA warm-ups are a free of charge. After registration you will receive a Zoom link. You will be able to meet medical and nurse experts, microbiologists and experts from the industry. A varied programme will update you on endoscopic techniques, and current topics around hygiene and infection control.

Endoscopic Full-Thickness Resection: Role of the expert Endoscopy Nurse, a single center experience
Fabiana Venezia, S. Predebon, S. Strona, M. Mangia, E. Battaglia, Italy

Endoscopic full thickness resection using “Full thickness resection device“- review of literature and retrospective analysis of our data
Ruzica Ujakovic, B. Rosić Despalatovic, Z. Ardalic, I. Mijic, Croatia

Nurses role in performing cholangioscopy and laser lithotripsy
Ivan Sambol, Croatia

Friday 26 April, 2024
15:00-15:30 ESGENA-Nurses Hot Spot: Exhibition Cyst drainages & VAC therapy

Booth 30

Simulator Rally
The Cook Medical Boškoski-Costamagna ERCP Trainer
ERCP training model – Practice your hands-on skills on ERCP stone extraction.
ERCP Access to Drainage: Take the cannulation challenge! Practice your ERCP cannulation skills. Experience optimal duodenoscope movements required to gain access. Exposure to tactile feedback from Wire Guide and Sphincterotome. Sample Cook Medical’s Medical Education VISTA programs available to support your education journey.

Hybrid-PEG with Freka-Phant
Learn how to perform a safe PEG-placement with a special focus on Hybrid-PEG. Available for nurses and physicians during the coffee and lunch breaks only.

ESGENA Nurses Hot Spot
Cyst drainages & VAC therapy
Learn more about various cyst drainages and VAC Therapy

In co-operation with Micro-Tech and Olympus

Friday 26 April 2024
15:30-16:30 ESGE-ESGENA Live demonstrations Auditorium

Co-ordinator Judith Seidel (Germany)
Chair Manmeet Matharoo (United Kingdom)
Moderators Pradeep Bhandari (United Kingdom), Michael Bretthauer (Norway), Marjon de Pater-Godhelp (Netherlands), Vicente Lorenzo-Zúñiga (Spain)

How to manage bleeding in GI
Learn more about various techniques of hemostasis

In co-operation with
Ambu, BioCer, Fujifilm, Laboire, Medtronic, Olympus

Saturday April 27, 2024
10:30 - 11:30 Room 15
ESGENA Spring Session 2:
Education of Endoscopy Nurses

Chair
Arianna Parrella, Italy
Siiri Maasen, Estonia

10:30-10:50
Team training for screening colonoscopy
Knut Hofseth, Norway

10:50-11:10
ESGENA Academy – different modules for endoscopic techniques and patient care
Ulrike Beilenhoff, Germany

11:10-11:30
Train the trainers and trainer feedback – how good are teachers
Leigh Donnelly, United Kingdom
Saturday  
12:00-13:00  
**ESGENA Spring Session 3:**  
**Endoscopy staff - a daily challenge**

**Chair**  
Ulrike Beilenhoff, Germany  
Wendy Carmel, Denmark

**Round table discussion**

**12:00-12:30 Human recourses**
- The challenge of recruiting and retaining endoscopy staff -
- Skill mix – which qualifications is needed?
- Responsibilities - Who can do what?
- Staff calculation – How much staff is needed?
- Shortage of staff – how to manage shortage of staff

**12:30-13:00 How to deal with challenging staff members**
- Dealing with complains
- How to engage with staff members
- Career planning - benefit for all sides

**Panellists**
- Marjon de Pater , NL
- Katharina Edenharter, Germany
- Deepa Gandhi ; Ireland

---

**Saturday  
13:30-14:30  
ESGE-ESGENA Live demonstration round up Session**

**Chair**  
Siegbert Faiss, Germany  
Helmut Messmann, Germany  
Daniel Bethmann, Germany
ESGENA NURSES HOT SPOT

The ESGENA Nurses Hot Spot in the exhibition area is a meeting point for nurses and physicians. We offer hands-on training and discussions on the latest developments and current techniques during the coffee and lunch breaks. The ESGENA Nurses Hot Spot is also part of the Simulator Rally. You will find the ERCP and PEG Simulator as well as patient monitoring. Each time slot will focus on one topic. Pre-registration is not required.

Take a break, share your experience with your peer group, get to know the latest tools for the following techniques:

ESGE-ESGENA HANDS-ON TRAINING

ESGE Days 2024 hands-on training sessions are designed to provide participants with the opportunity to put what they learn during lectures into practice. Available only to delegates at the on-site congress in Berlin, these small group, expert-led sessions will cover a variety of topics which are encountered during daily practice. To maximize contact between tutors and participants, the group sizes are strictly limited. **Courses can only be booked in conjunction with the hybrid package. Participants may book more than one course - please ensure that course bookings do not overlap.**

There are 81 Sessions:

- 9 Stations
- with 3 time slots
- on three days

with the following procedures:

- Haemostasis
- Polypectomy
- EMR
- ESD
- POEM
- Barrett’s Treatment
- PEG
- ERCP
- Cholangioscopy + EHL
- EUS-FNA
- Therapeutic EUS
- Endoscopic Hand-Suturing techniques

Book your session during the registration process: [https://esgedays.org/registration](https://esgedays.org/registration)

Benefit from reduced registration fees as an ESGENA individual member

Find out more about the hands-on Training: [https://esgedays.org/hands-on-training](https://esgedays.org/hands-on-training)
