# United European Gastroenterology Week Vienna

Messe Wien and Online

October 12 – 15, 2024

[ueg.eu/week](http://ueg.eu/week)

Check out our  
special **Nurse  
Programme!**

## ESGENA Programme

### Word of Welcome

Dear Colleagues,

It gives me immense pleasure to invite you to the 32nd United European Gastroenterology Week UEGW 2024, which will be held at Messe Wien, Vienna, Austria between 12th -15th October 2024. The scientific committee has worked hard to bring a variety of sessions showcasing scientific excellence.

The ESGENA nurses programme will be an integral part of the UEG week 2024 with lectures, hands on training and live endoscopy. Expand your knowledge and improve your work performance by joining our conference. Join the discussions on exciting and hot topics on endoscopy. The ESGENA board and educational committee have worked relentlessly and are providing the following sessions for nurses:

- 15 sessions for nurses
- Live demonstrations
- Full UEGWeek programme
- Hands-on Training
- Posters
- Postgraduate Course
- Satellite Symposia

Looking forward to seeing you all in Vienna.

Kind regards.

**Deepa J Gandhi**  
President of ESGENA.

## Registration

**for Allied Health Professionals (\*) incl. ESGENA & other nurses**

- 250 EURO for onsite attendance
- 150 EURO for online attendance

(\*) The allied health professional fee is only applicable for professionals without any medical degree. A confirmation from the head of department is required. Allied Health Professionals include **nurses**, nutritionists, dieticians, psychologists, physiotherapists, geneticists, educationalists, statisticians, pharmacists, microbiologists and epidemiologists. Distributors are not included.

Onsite	Virtual
<ul style="list-style-type: none"> <li>• Admission to all scientific sessions of the UEG Week congress programme, Postgraduate Teaching programme and moderated poster sessions at the e-poster terminals (Saturday - Tuesday)</li> <li>• Admission to the science lounge (e-posters and networking area)</li> <li>• Admission to hands-on areas (5)</li> <li>• Access to Live Endoscopy</li> <li>• Admission to nurse programme (incl. ESGENA programme)</li> <li>• Admission to industry exhibition</li> <li>• Admission to industry symposia (Saturday – Tuesday)</li> <li>• Access to all functionalities and materials on the virtual congress platform during the live event days and on-demand until November 12, 23:59 CET</li> <li>• Virtual interaction and networking on the congress platform</li> <li>• Free access to all recordings from UEG Week congress and Postgraduate Teaching programme on-demand in the UEG Library for a period of one year (or for an indefinite period of time if you are a myUEG associate)</li> <li>• Congress materials (6)</li> <li>• Certificate of attendance &amp; CME certificate (only for in-person/virtual participation in the live event days)</li> </ul>	<ul style="list-style-type: none"> <li>• All items below are accessible only on the virtual congress platform</li> <li>• Access to all scientific sessions from the UEG Week congress programme and Postgraduate Teaching programme (Saturday-Tuesday), e-poster exhibition (excl. the moderated poster sessions)</li> <li>• Access to Live Endoscopy</li> <li>• Access to nurse programme (incl. 14:50-15:00	Discussion

## 15:00-15:30 ESGENA Poster round

<b>P-1</b>	Local anaesthesia of the pharynx (via a spray) for upper GI series endoscopy; a new technique with better patient tolerance and reduced risk of airborne spread.
<b>P-2</b>	The Pivotal Role of Bowel Preparation in Colonoscopy Efficacy
<b>P-3</b>	Nurse Endoscopist facilitated Colonoscopy Training for Junior Surgeons and Gastroenterologists
<b>P-4</b>	Inflammatory Bowel Disease nurses can effectively collect data on disease phenotype and activity for ur-care registry: experiences from Slovenia
<b>P-5</b>	The role of endoscopic and Inflammatory Bowel Disease nurses for the collection of endoscopic data in the UR-CARE Registry: experiences from Slovenia.
<b>P-6</b>	Prevalence of smoking in patients with inflammatory bowel disease. Study protocol.
<b>P-7</b>	Preparation and post – procedural care of patient after transarterial chemoembolization of liver tumor (TACE)
<b>P-8</b>	The Belch Provocation Test to aid in the Diagnosis of ‘Inability to Belch Syndrome’.
<b>P-9</b>	Association between gallstone and oral contraceptive pills

# ESGENA Nurses Programme onsite in Vienna

Sunday, October 13, 2024

## 15:30-16:30 Session 14: ESGENA Quiz – Do you know it?

Room Schubert 1

Check and increase your knowledge and skills in endoscopic techniques, patient care and hygiene

This is an interactive session with a voting system

Take the change and win attractive prizes

## 17:00-18:00 Session 15: ESGENA Tips & Tricks for daily routine

Room Schubert 1

17:00-17:15 How to start the day?

17:15-17:30 ERCP & EUS – a fruitful combination

17:30-17:45 Polypectomy. EMR and ESD – helpful tools -

17:45-18:00 When Gastroenterology and Bronchoscopy need the other side

## Hands-on Training on Bio-Simulators at the Endoscopy Learning Area

**Best teaching for endoscopists and nurses !** The Endoscopy Learning Area provides a unique opportunity for skill enhancement, first-class learning and professional discourse. Test your skills under the guidance of expert doctor and nurse tutors with the use of accessories from leading providers. View educational films from the ESGE eLibrary or partner societies at your leisure.

The Endoscopy Learning Area is run in cooperation with ESGE and ESGENA.

### When can you pre-register?

Pre-registration for Saturday – Monday programme opens on Monday, October 7, 2024 at 10:00 CEST via a link on this website. (Closes Thursday, October 10, 2024 at 23:59 CEST.)

Limited spots are available, and participation is based on a first-come, first-served basis and does not involve any extra costs in addition to your registration for UEG Week and/or PGT.

Pre-registered participants must pick up their ticket for their booked timeslot(s) onsite at the Welcome Desk in the Endoscopy Area minimum 5 minutes before the start of their hands-on session(s). Otherwise, the spot will be lost.

It is possible to check onsite at the Hands-on Endoscopy welcome desk whether spots have freed up, again at a first-come, first-served basis.
