

ESGENA Programme

Word of Welcome

Dear Colleagues,

It gives me immense pleasure to invite you to the 33rd United European Gastroenterology Week UEGW 2025, which will be held at the City Cube Berlin, Germany between 4-7th October 2025. The scientific committee has worked hard to bring a variety of sessions showcasing scientific excellence.

The ESGENA nurses programme will be an integral part of the UEG week 2025 with lectures, hands on training and live endoscopy. Expand your knowledge and improve your work performance by joining our conference. Join the discussions on exciting and hot topics on endoscopy. The ESGENA board and educational committee have worked relentlessly and are providing the following sessions for nurses:

- 15 sessions for nurses
- Live demonstrations
- Full UEGWeek programme
- Hands-on Training
- Free Paper & Posters Sessions
- Postgraduate Course
- Satellite Symposia

Looking forward to seeing you all in Berlin

Kind regards.

Deepa J Gandhi

President of ESGENA.

Venue

Congress Venue

UEG Week 2025 will take place at Messe Berlin (Entrance: CityCube), exhibition grounds located in the Charlottenburg-Wilmersdorf - in the heart of Berlin's creative metropolis.

Messe Berlin

Entrance: CityCube

Messedamm 26

14055 Berlin, Germany

uegweek@ueg.eu

Download floor plans: <https://ueg.eu/week/attendance#venue>

How to get to the venue

The access to UEG Week 2025 is via Entrance CityCube at Messe Berlin. The venue is easily accessible by public transportation. Therefore, we advise our visitors to think of the environment and take advantage of the public transport whenever possible.

Direct train from the airport

- Trainline S9 takes you directly from the airport to Messe Berlin, station “Messe Süd”. The train goes every 20 minutes.

Metro or train from the city

- The closest underground station to Messe Berlin, Entrance CityCube is located a stone's throw away from the congress' main entrance – station “Messe Süd”.

Congress language

The official language of UEG Week is English.

Time zone

The time zone in Berlin is Central European Time (CEST), which is Coordinated Universal Time (UTC) +1 hour in winter and +2 hours in summer. This is as well the time zone in accordance to which UEG Week will be live broadcasted on the congress platform.

ESGENA Website: <https://esgena.org/>
Conference website: <https://ueg.eu/week>

Registration

for **Allied Health Professionals** (*) incl. ESGENA & other nurses

- 250 EURO for onsite attendance
- 150 EURO for online attendance

(*) The allied health professional fee is only applicable for professionals without any medical degree. A confirmation from the head of department is required. Allied Health Professionals include **nurses**, nutritionists, dieticians, psychologists, physiotherapists, geneticists, educationalists, statisticians, pharmacists, microbiologists and epidemiologists. Distributors are not included.

Onsite	Virtual
In-person <ul style="list-style-type: none"> • Admission to all scientific sessions from the UEG Week congress programme and moderated poster sessions at the e-poster terminals (Sunday - Tuesday) • Admission to DDM Summit (Sunday-Tuesday) • Admission to the science lounge (e-posters and networking area) • Access to Live Endoscopy • Admission to industry exhibition • Admission to industry symposia (Saturday – Tuesday) • Admission to hands-on areas (Saturday – Tuesday) (5) • Admission to nurse programme (incl. ESGENA programme Saturday - Sunday) • Access to all functionalities and materials (including recordings of UEG Week sessions) on the congress platform during the live event days and on-demand afterwards • Virtual interaction and networking on the congress platform • Free access to all recordings from UEG Week 2025 congress programme on-demand on Gutflix (or access to recordings from all years, if you are a myUEG associate) • Certificate of attendance & CME certificate (only for in-person/virtual participation in the live congress days) 	All items below are accessible only on the congress platform <ul style="list-style-type: none"> • Access to all scientific sessions from the UEG Week congress programme (Sunday-Tuesday) and e-poster exhibition (excl. the moderated poster sessions) • Access to Live Endoscopy • Access to nurse programme (incl. ESGENA programme Saturday – Sunday) • Access to industry profile pages on the congress platform • Access to industry symposia (Saturday – Tuesday) • Virtual interaction and networking • Access to the UEG Week congress programme on the congress platform during the live event days and on-demand afterwards • Free access to all recordings from UEG Week 2025 congress programme on-demand on Gutflix (or access to recordings from all years, if you are a myUEG associate) • Virtual congress materials • Certificate of attendance & CME certificate (only for participation in the live congress days)

Payment method

Payment will only be accepted in Euro and via credit card or bank transfer (for group bookings only).

Structure of the UEG Week & ESGENA Conference 2025

Sept 16-30, 2025		Saturday October 4, 2025	Sunday October 5, 2025	Monday October 6, 2025	Tuesday October 7, 2025
ESGENA warm-up 1 September 16, 2025	Hands-on				
EGEUS-ESGENA webinar September 18, 2025	UEG Post graduate Course				
ESGENA warm-up 2 September 23, 2025	UEG Week Programme				
ESGENA warm-up 3 September 25, 2025					Live Endoscopy
ESGENA warm-up 5 September 30, 2025	Poster Sessions				
	Industry Symposia				

ESGENA “Warm-ups towards the UEG Week

The “**ESGENA warm-ups**” are four webinars as a countdown towards UEG Week 2025. All ESGENA warm-ups are **free of charge**. After registration you will receive a Zoom link. All recorded ESGENA warm-ups will be available on demand: <https://esgena.org/educational-activities/esgena-webinars/>. Let’s count down together, towards the next big European conference.

September 16, 2025 18:00-19:00 CEST ESGENA Warm up 1: Endoscope drying and storage: Safety, efficiency, sustainability – can we have it all?	
	Exclusively organised together with PENTAX
Link to register	https://us06web.zoom.us/webinar/register/7317546351426/WN_O1Wa2RIITGJtioTPdB2Q
Chairs	Arianna Parrella, Italy; Ulrike Beilenhoff, Germany; Joeseph Garzia Stafrace, Malta
	PlasmaTYPHOON™+ product presentation Mihaela Cirisan, France
	How dry are your scopes ? Comparison of the current drying possibilities Florian Michael, Germany
	An independent evaluation to understand the real-world value of PlasmaTYPHOON+ Andrew Sibley, United Kingdom
September 18, 2025 18:00-19:30 CEST EGEUS-ESGENA-Webinar: “Behind the Echo: the nurse’s perspective in EUS”	
	Organised as joint webinar of EGEUS and ESGENA before the 11 th European Congress of Endoscopic Ultrasonography (EGEUS 2026) which will be held on September 19-20, 2025, in Szeged, Hungary.
Link to register	https://us06web.zoom.us/webinar/register/4917541499686/WN_QMIQXsO7S4yoUSJ2LA1sQg
Chairs	Wendy Carmel, Denmark , Arianna Parrella, Italy Krisztina Tari, Hungary Ulrike beilenhoff, Germany
	Therapeutic EUS and rendezvous techniques – what every endoscopy nurse should know –: key procedures, when to use them, and what to watch for. Alexander Arlt , Germany
	Troubleshooting during EUS - Tips and tricks for endoscopic nurses Elzbieta Bak, Poland
	Hot AXIOS mispositioning: challenges, complications, and what we’ve learned Gianenrico Rizzatti & Fabio Grilli, Italy

September 23, 2025 18:00-19:00 CEST
ESGENA Warm up 2: Hygiene & Infection control

	Organised together with Nanosonics and Olympus Europa
Link to register	https://us06web.zoom.us/webinar/register/6317568223801/WN_2K_8lIDUQlCznyO8JuDmRw
Chairs	Anastasia Tsalouka, Greece Ulrike Beilenhoff, Germany
	Can automated methods of endoscope cleaning drive new standards of efficacy? (Nanosonics) Ellie Wishart, Ireland
	Current Status on drying (Olympus Europa Se & Co. KG) Birgit Kampf, Germany

September 25, 2025 18:00-19:00 CEST
ESGENA Warm up 3: Cholangioscopy

	Exclusively organised together with INSPIRE.YOU by MICRO-TECH Europe
Link to register	https://us06web.zoom.us/webinar/register/3017568229162/WN_Qpi7EMZWRWqGIQoSgaTpzw
Chairs	Leigh Donnelly , UK Deepa Gandhi, Ireland Ulrike Beilenhoff , Germany
	Inside the Bile Duct: Innovations and techniques in modern Cholangioscopy Istvan Hritz, Hungary

September 30, 2025 18:00-19:00 CEST
ESGENA Warm up 4: Endoscopic Techniques

	Organised together with Ovesco Endoscopy AG and Fresenius Kabi MedTech
Link to register	https://us06web.zoom.us/webinar/register/5417568239169/WN_4VK4v6ZrTFS_41nrgl_c3Q
Chairs	Wendy Carmel, Denmark Arianna Parrella, Italy Ulrike Beilenhoff, Germany
	AWC®duo: Cap-based intervention techniques with integrated auxiliary working channel (Ovesco Endoscopy AG) Celine Hgel, Germany
	The Hybrid PEG Placement Method - How small process changes lead to promising results! (Fresenius Kabi MedTech) Christian Bojarski, Germany

ESGENA Nurses Programme 2025 in Berlin

Saturday, October 4, 2025

Rooms	A4	A5	Endoscopy Learning Area	
09:00-10:30		Session 1 : ESGENA Opening Session		UEG Post Graduate Course
	Coffee Break			
11:00-12:30	Session 2: New trends and Development on Hygiene and Infection control	Session 3: New trends and Development on Endoscopic Techniques	Hands-on Training on Bio-Simulators 10:30-12:00	UEG Post Graduate Course
12:30-13:30	Hands-on Training based on session 2 & 3 Lunch break			
13:30-15:00	Session 4: Liver Nurses : Innovative Approaches in Liver Disease Management In cooperation with EASL	Session 5: Abstract I : Management & Education	Hands-on Training on Bio-Simulators 13:30-15:00	UEG Post Graduate Course
	Coffee Break			
15:30-17:00	Session 6: IBD-Nurses - all around the GUT In cooperation with N-ECCO	Session 7: Green Endoscopy - what makes sense?		UEG Post Graduate Course
			Hands-on Training on Bio-Simulators 16:00-17:30	

ESGENA Nurses Programme onsite in Berlin

Sunday, October 5, 2025

Rooms	A4	A5	Endoscopy Learning Area	
08:00-09:30	ESGENA General Assembly			UEG Post Graduate Course
	Coffee Break			
10:00-11:30	Session 8 Abstract II: Patient Care & Endoscopic techniques	Session 9: Patient care – Differences matter	Hands-on Training on Bio-Simulators 10:30-12:00	UEG Post Graduate Course
11:30-12:00	Coffee Break ESGENA Poster Round – Part 1			
12:00-13:00	Session 10 Hygiene	Session 11 Staff Safety & Management		
13:00-13:30	Coffee Break ESGENA Poster Round – Part 2 ESGENA Hands-on Training on Hygiene and endoscopic techniques			
13:30- 15:00	Session 12 Endoscopic Techniques – Emergency and difficult situations	Session 13 Education – important tool for quality in Endoscopy	Hands-on Training on Bio-Simulators 13:30-15:00	UEG Week Opening
	Coffee Break			
Rooms	M4-5			
15:30-16:30	Session 14 My worst case and what I learned from it	UEG Week Session		UEG Week Session
			Hands-on Training on Bio-Simulators 16:00-17:30	
17:00-18:00	Session 15 ESGENA Quiz - Do you know it?	UEG Week Session		UEG Week Session

ESGENA Nurses Programme onsite in Berlin

Saturday, October 4, 2025

Saturday 09:00-10:30	October 4, 2025 ESGENA Opening Session
---------------------------------	---

Room	A5
Chairs	Deepa Gandhi, Ireland Ulrike Beilenhoff, Germany
09:00-09:10	Welcome Deepa Gandhi, Ireland Ulrike Beilenhoff, Germany
09:10-09:30	Why is ESNO important for ESGENA – Structure, tasks and projects Patricia Burga , Italy & Ber Oomen, Netherlands
09:30-09:50	The Endoscopy Nurse's guide to the GI galaxy Anastasia Tsalouka, Greece
09:50-10:10	How to make political decisions relevant for GE Endoscopy Nursing Leigh Donnelly, United Kingdom
10:10-10:30	What is the future of endoscopy nursing? Round table

11:00-12:30	Session 2: New trends and developments in hygiene and infection control
--------------------	--

Room	A4
Chair	Krisztina Tari, Hungary Rafael Oliveira, Portugal
11:00-11:10	Saving Water & Time: Insights from a Detergent-Based Study for Manual Cleaning Axel Isler, Germany
11:10-11:05	Discussion
11:15-11:25	Log reduction from cleaning and its effects on Endoscope HLD/Low Temp Sterilisation Dominic Huggan, United Kingdom
11:25-11:30	Discussion
11:30-11:40	Opportunities for disposable endoscopes in green endoscopy Volker Hausmann, Germany

11:40-11:45	Discussion
11:45-11:55	Troubleshooting - What to do if your scope looks unusual after processing? Ilona Reifenrath, Germany
11:55-12:00	Discussion
12:00-12:10	Soluscope table-top Washer-Disinfector Aaron Papadopoulos, Germany & Aurelie Blaison, France
12:10-12:15	Discussion
12:15-12:25	NN
12:25-12:30	Discussion

After this session, ESGENA provide a hands-on training with all the companies which will give the presentations in Session 2

The hands-on area will be located in the lounge in front of the ESGENA lecture halls

11:00-12:30 Session 3: New trends and developments in endoscopic techniques

Room	A5
Chair	Yuri Guriel, Israel Mario Gazic, Croatia
11:00-11:10	AWC®duo: Cap-based intervention techniques with integrated auxiliary working channel Celine Hgel, Germany
11:10-11:05	Discussion
11:15-11:25	The journey to become a proactive and involved nurse in the endoscopy room Arianna Parrella, Italy
11:25-11:30	Discussion
11:30-11:40	See It. Learn It. Use It: The New EUS-FNB Needle in Action Andrea Lisotti, Italy
11:40-11:45	Discussion
11:45-11:55	Endoscopic Hemostasis with Nexpowder™* : Clinical Applications Calle Suuronen, Sweden
11:55-12:00	Discussion

12:00-12:10	NN
12:10-12:15	Discussion
12:15-12:25	NN
12:25-12:30	Discussion

After this session, ESGENA provide a hands-on training with all the companies which will give the presentations in Session 2

The hands-on area will be located in the lounge in front of the ESGENA lecture halls

- BioCer
- Fresenius

13:30-15:00	Session 4 Innovative Approaches in Liver Disease Management – A Session by EASL Nurses & ESGENA
--------------------	--

Room	A4
Chair	Denise Schäfer, Austria Martina Fellinghauer, Austria
13:30-13:45	Liver nurses & allied health professions in Europe – The EASL Taskforce Malene O'Connell, Denmark
13:45-13:50	Discussion
13:50-14:05	Management of hepatocellular carcinoma from an advanced nursing perspective Gemma Iserte Fort, Spain
14:05-14:10	Discussion
14:10-14:25	Developing a nurse-led counselling service in hepatology across two hospitals Sonja Beckmann, Switzerland
14:25-14:30	Discussion
14:30-14:45	Approaches to improve nutrition and physical activity levels in patients with liver disease Catarina Lindqvist, Sweden & Kate Hallsworth, UK
14:45-15:00	Discussion

13:30-15:00

Session 5:

Abstract I: Management & Education

Room

A5

Chair

John McGeer, Denmark
Patricia Burga, Italy
Ingrid Karström, Sweden

13:30-13:40

Digital transformation in digestive nursing: artificial intelligence as a tool to optimize clinical practice

Beatriz Gil-Albert Sáenz de Cabezón , I. Alarcón Higuera , C. Arteaga-Jordá , A. Arregui , M. Herraiz Bayod, Spain

13:40-13:45

Discussion

13:45-13:55

From vision to action: organizational change and digital innovation in digestive healthcare

Adriana Arregui-Azagra , Beatriz Oses Ferrer , B. Gil-Albert Sáenz de Cabezón , C. Carretero , M. Herraiz Bayod, Spain

13:55-14:00

Discussion

14:00-14:10

Burnout syndrome assessment of nursing staff in a digestive endoscopy unit at a tertiary referral hospital

Yaiza Torres Zamora. Spain

14:10-14:15

Discussion

14:15-14:25

Patient with percutaneous endoscopic gastrostomy: collaboration with primary health care

C. Alves , Mafalda Ribeiro , M. Matos, Portugal

14:25-14:30

Discussion

14:30-14:40

The effect of a national training programme for sedation and emergency management in Endoscopy

Ulrike Beilenhoff, Germany

14:40-14:45

Discussion

14:45-14:55

Moving towards sustainable care and green endoscopy in Hong Kong

Mei-Yin Wong, Hong Kong

14:55-15:00

Discussion

15:30-17:00

**Session 6:
IBD-Nurses - all around the GUT**

Room	A4
Chair	Sean Connelly, Ireland Marija Mifsud Sultana, Malta
15:30-15:45	Diagnosing IBD at Colonoscopy – First Steps in Treatment and Support Hazel Cagayon, United Kingdom
15:45-15:50	Discussion
15:50-16:05	Which measures are important to prevent complication of IBD Elena Sonnenberg, Germany
16:05-16:10	Discussion
16:10-16:25	IBD and the use of cognitive behavioral therapy in the treatment of functional gastrointestinal disorders Laura Rindom Krogsgaard, Denmark
16:25-16:30	Discussion
16:30-16:45	Helpful tools for IBD -Patients Marija Mifsud Sultana, Malta
16:45-17:00	Discussion

15:30-17:00

**Session 7
Green Endoscopy – what makes sense?**

Room	A5
Chairs	Wendy Carmel, Denmark Yaiza Torres, Spain
15:30-15:45	Tips and tricks to make green endoscopy part of your daily work Leigh Donnelly, United Kingdom
15:45-15:50	Discussion
15:50-16:05	Green endoscopy: Step by step to a paper free Endoscopy Unit Konstantinos Triantafyllou, Greece
16:05-16:10	Discussion
16:10-16:25	Project at a University hospital to reduce the CO₂ Footprint Nils Andersen, Hamburg
16:25-16:30	Discussion
16:30-16:45	Can we recycle our endoscopes? Ideas, Projects and resources Axel Eickhoff, Germany
16:45-17:00	Discussion

ESGENA Nurses Programme onsite in Berlin

Sunday, October 5, 2025

08:00-09:30 ESGENA Annual General Assembly

Room

A4

ESGENA individual members and national delegates are warmly invited to attend the ESGENA Annual General Assembly and the ESGENA Board Election. ESGENA will report about its activities.

10:00-11:30 Session 8: Abstract II: Patient Care & endoscopic techniques

Room

A4

Chair

John McGeer, Denmark
Patricia Burga, Italy
Ingrid Karström, Sweden

10:00-10:10 **From missed chances to meaningful care: integrating psychiatric and hepatology nursing to detect and treat Hepatitis C in high-risk groups**
Vlatka Rafaj , D. Gregurek , S. Krizanic, Croatia

10:10-10:15 Discussion

10:15-10:25 **Nurse-led clinic (NLC) to streamline ophthalmology screening for IBD patients prior to initiating sphingosine-1-phosphate receptor (s1pr) modulator therapy**
Anum Javed , A. D'Souza , J. Alexander , L. Hicks, United Kingdom

10:25-10:30 Discussion

10:30-10:40 **Smoking habits in patients with inflammatory bowel disease**
Dania Rocio Diaz-Rodriguez , M. Granados Martin , L. La Rosa-Huertas , I.C. Hammel, Spain

10:40-10:45 Discussion

10:45-10:55 **Empowering colorectal cancer patient journey: enhancing patient information through patient engagement**
Hazel Cagayon , K. Brady, United Kingdom

10:55-11:00 Discussion

11:00-11:10 **Effects of brief mindfulness-based stress reduction (MBSR) on preoperative anxiety and bispectral index (BIS) in patients undergoing colonoscopy-assisted colonic endoscopic submucosal dissection (ESD): a single-center randomized controlled trial in China**
Lijun Jia , X. Tian , Y. He, China

11:10-11:15 Discussion

11:15-11:25 **The future of digestive care: nurse coach and new technologies in functional Neurogastroenterology**
Beatriz Oses , A. Arregui-Azagra , B. Gil-Albert Sáenz de Cabezón , M.T. Alonso Sierra , S. de la Riva , M. Herraiz Bayod, Spain

11:25-11:30 Discussion

**10:00-11:30 Session 9:
 Patient Care – differences matter**

Room A5

Chair Daniela Burtea, Romania
 Leigh Donnelly, United Kingdom

10:00-10:15 **The use of the modified Aldrete score for the assessment of recovery after gastrointestinal endoscopy**
 Eleni Kyvelou, Greece

10:15-10:20 Discussion

10:20-10:35 **Perceived satisfaction of outpatients undergoing endoscopic examination: cross-sectional observational study**
Fabio Grilli , D. Napolitano, Italy

10:35-10:40 Discussion

10:40-10:55 **Pancreatic cancer: a rising problem. surgical, oncological and endoscopic treatment, screening modalities for early detection.**
 Ioannis Papanikolaou, Greece

10:55-11:00 Discussion

11:00-11:15 **How to care for trans patient in Endoscopy**
 Julian Leyhe, United Kingdom

11:15-11:30 Discussion

11:30-12:00 ESGENA Poster round Part 1

Chair Sean Connelly, Ireland
Nurin Mohammad, United Kingdom
Elvana Budimir, Slovenia

Abstract No Poster

1. 1627 **The effect of sedated versus non-sedated endoscopy on early cancer detection**
Enkhchimeg Tuul , Undarmaa.B, Bayasgalan.B, Bolor.B, Mongolia
2. 2635 **Sedation in endoscopy - patient monitoring and emergency management**
Karla Božilović , J. Erceg, Croatia
3. 3344 **Case report of single balloon enteroscopy extraction of videocapsule**
Katarina Karlovic, Croatia
4. 2734 **FTRD in the treatment of early colorectal cancer - endoscopic nurse perspective**
Ana Bertic , I. Ivancevic , V. Lovric, Croatia
5. 2468 **Endoscopic full thickness resection device**
Barbara Viktorija Fišter, Croatia
6. 3899 **Nursing skills endoscopic vacuum therapy for esophageal anastomotic leaks - data from a tertiary hospital**
Fatima Francisco , R. Sacarrão , L. Correia Gomes , I. Rosa, Portugal

12:00-13:00 Session 10: Hygiene – Update 2025

Room A4

Chair Joseph Garzia Stafrace, Malta
Arianna Parrella, Italy

12:00-12:15 **Interfering substances affect endoscope reprocessing**
Annette Rittich, Germany

12:15-12:20 Discussion

12:20-12:35 **Use of Boroscopes in daily routine – pro-contra debate**
Harry Ouussen, NL and Ulrike Beilenhoff, Germany

12:35-12:40 Discussion

12:40-12:55 **Can we harmonise methods of microbiological surveillance**
Lionel Pineau, France

12:55-13:00 Discussion

12:00-13:00	Session 11: Staff safety & Management
--------------------	--

Room	A5
Chair	Anastasia Tsalouka, Greece Joseph Garzia Stafrace, Malta
12:00-12:15	Verbal violence in the healthcare workplace and how to cope with it Joanna Theodoridou, Greece
12:15-12:20	Discussion
12:20-12:35	European Survey on Physical and Mental Health in Endoscopy Ute Pfeifer, Germany
12:35-12:40	Discussion
12:40-12:55	Time management: How can we save time? Deepa Gandhi, Ireland
12:55-13:00	Discussion

13:00-13:30	ESGENA Poster Presentations Part 2
--------------------	---

Chair	Sean Connelly, Ireland Nurin Mohammad, United Kingdom Elvana Budimir, Slovenia
7. 955	Legal responsibility of nurses and unusual complications in endoscopy Roberta Mattiola, Italy
8. 3117	The role of nursing interventions for allergic reactions to intravenous iron <u>Valerija Jaki</u> , M. Karažinec , A. Biscanin, Croatia
9. 2135	Can an opportunistic approach to screening harmful drinkers identify patients at risk of advanced liver fibrosis or cirrhosis? <u>Ruth Tighe</u> , J. Perkins , L. Mansell , M. Harborne, United Kingdom
10. 675	Construction of a prediction model for hypoglycemia risk in patients with liver cirrhosis combined with type 2 Diabetes Chunfei Wang, China
11. 778	Poor e-health delivery in the NHS has the potential for negative impacts on patients with IBD. Preliminary results <u>Pearl Avery</u> , K. Kemp , L. Dibley , S. Green, United Kingdom
12. 4774	The association between rumination and post traumatic growth in patients with inflammatory bowel disease: a cross-sectional study <u>Dandan Chen</u> , Y. Zhou, China

Research on the construction and application of goal setting based systematic nutritional support strategy in enteral nutrition patients with inflammatory bowel disease
Zaiying Jiang, China

13:30-15:00**Session 12:****Endoscopic Techniques – Emergency and difficult situations**

Room	A4
Chair	Wendy Carmel, Denmark Hilde Willekens, Belgium
13:30-13:45	Effectively and safely- foreign body in the digestive tract Fabio Grilli, Italy
13:45-13:50	Discussion
13:50-14:05	Treatment of patients with ingestion of caustic substances Charitini Aga & Nikolaos Samarentsis, Greece
14:05-14:10	Discussion
14:10-14:25	Variceal bleeding from Ligation to Sengstaken Thomas Rösch, Germany
14:25-14:30	Discussion
14:30-14:45	EUS-guided therapy of gastric varices-the role of endoscopic nurse-team work Elzbieta Bak & Katarzyna Pawlak, Poland
14:45-15:00	Discussion

13:30-15:00**Session 13****Education – important tool for quality in Endoscopy**

Room	A5
Chair	Camille Dutronc, Switzerland Marjon de Pater, Netherlands
13:30-13:45	Help! My first shift on the on-call service Kathrina Edenharter, Germany
13:45-13:50	Discussion
13:50-14:05	Accreditation for a newly recruited endoscopy nurse Anne Vidil, France
14:05-14:10	Discussion
14:10-14:25	Training with simulators Ulrike Beilenhoff, Germany

14:25-14:30	Discussion
14:30-14:45	How we can take a step forward - Certification – Accreditation – Recognition Joseph Garzia-Stafrace, Malta

14:45-15:00	Discussion
-------------	------------

15:30-16:30	Session 14: My worst case and what I learned from it
--------------------	---

Room	M 4-5
------	-------

Chair	Leigh Donnelly, United Kingdom Ulrike Beilenhoff, Germany
-------	--

15:30-15:40	Perforation of the stomach during Colonoscopy Arianna Parrella, Italy
-------------	---

15:40-15:45	Discussion

Saturday to Monday , October 4-7, 2025

Improve your hands-on skills at UEG Week

The Endoscopy Hands-on Programme provides a unique opportunity for skill enhancement, first-class learning, and professional discourse at no additional costs. The Endoscopy Hands-on Programme is run in cooperation with [ESGE](#) and [ESGENA](#).

When can you pre-register?

- Pre-registration for Saturday – Monday programme
 - opens on **Monday, September 29, 2025 at 10:00 CEST** via a link on this website
 - closes on **Thursday, October 2, 2025 at 23:59 CEST.**
- To pre-register you will have to login with your myUEG account.
- Limited spots are available, and participation is based on a first-come, first-served basis and does not involve any extra costs in addition to your registration for UEG Week and/or PGT.
- Pre-registered participants must pick up their ticket for their booked timeslot(s) onsite at the Welcome Desk in the Endoscopy Area minimum 5 minutes before the start of their hands-on session(s). Otherwise, the spot will be lost.
- It is possible to check onsite at the Hands-on Endoscopy welcome desk whether spots have freed up, again at a first-come, first-served basis.

Who can participate?

- Nurses and medical staff

How many hands-on sessions can you register for?

- Each person can register for one endoscopy hands-on session in total.
