

Medtronic

Innovations in Small Bowel Capsule Endoscopy

Virtual webinar

Date: Tuesday, 9 December 2025
19.30 - 20.30 CET

Place: Online

Experts:

Dr. Cristina Carretero

Dr. Ioanna Parisi

Prof. Xavier Dray

This webinar is an interactive session focused on the PillCam Genius™ SB kit, the next generation in small bowel capsule endoscopy.

You will learn about the latest advances in capsule endoscopy, the unique features and setup of the PillCam™ Genius SB kit, workflow integration, and real-world case examples. There will also be time for open discussion and Q&A with our experts.

Join us to discover how innovative technology can enhance patient care and transform your capsule endoscopy practice.
