### About the day

Charter Medical Private Hospital is delighted to host its annual Endoscopy Study Day, endorsed by ESGENA — the European Society of Gastroenterology and Endoscopy Nurses and Associates. The day brings together leading Irish speakers in gastroenterology, with a strong practical focus on the issues nurses meet every day in endoscopy units.

### Who could attend

Endoscopy nurses, ward nurses with an interest in gastroenterology, RANPs, CNSs, CNMs & Decon Staff

### Learning outcomes

By the end of the day, participants will be able to:

1. Apply effective management strategies to improve productivity and patient flow in the endoscopy unit.
2. Describe current best practice in decontamination, bowel preparation, and the National Bowel Cancer Screening Programme.
3. Demonstrate hands-on competence at four practical stations: biopsy & polypectomy, injector use, clip application, and variceal banding.
